

ASPIRATIONS SCHOOL OF DANCE

ONLINE DANCE CLASSES

What some parents think they are:

- **My child watching their teacher show some steps on an iPad screen**

What they really are:

- **Connection with friends**
- **Stability during uncertain times**
- **A much-needed emotional outlet**
- **Great building blocks for when we get back into the studio**

If we have to go online:

- **Reminders / codes come the day before by text**
- **Diarise and prepare**
- **Prepare your space ... Is it safe?**
- **Limit sibling or parental interruption**
- **Give your child THEIR OWN TIME– no peeping!**
- **Treat attendance as you would at the studio; missed classes mean you will fall behind.**
